# Reclaiming Our Power!

The National Association for Peer Supporters (N.A.P.S.), in partnership with the Alliance for Rights and Recovery, is proud to co-sponsor the Annual Conference, "Reclaiming Our Power!" happening on October 16-17, 2024, in Chicago, Illinois. This in-person event will unite over 300 peers, advocates, policymakers, family members, youth, clinicians, and stakeholders from across the nation to reclaim our power and amplify our collective voice.

At this conference, we'll delve into the power of reclaiming our narratives, our agency, and our futures. Together, we'll explore how peer support empowers us to overcome obstacles, advocate for change, and create a more inclusive and equitable world.

This year's theme, "Reclaiming Our Power!" celebrates the strength and resilience within each of us and the transformative impact of peer support. As we come together, we'll honor our shared experiences, uplift each other's voices, and chart a course toward a brighter future.

We invite you to join us in reclaiming our power and shaping the future of mental health systems and advocacy. Secure your sponsorship at the conference and become a driving force for change. As your partner, N.A.P.S. and the Alliance offers opportunities to elevate your brand, showcase your commitment to peer support, and forge meaningful connections with industry leaders and influencers.

Come be a part of this empowering movement and make a lasting impact on the mental health landscape. We can't wait to see you at the conference as we reclaim our power, together.

**Opportunities are offered on a first come basis and all submission must be received by September 9th, 2024**
